Subject: Call for Nominations | ABU ENGINEERING AWARDS 2026

===== Forwarded message =====

Dear Colleagues,

Call for Nominations | [ABU ENGINEERING AWARDS 2026](#)

Nominations are now open for the ABU Engineering Awards 2026.

The five Engineering Awards are:

The **ABU Broadcast Engineering Excellence Award** is open to staff or former staff of ABU broadcaster members. It recognises contributions of an outstanding nature in broadcast engineering and related disciplines.

[BEEA Online Submission Form](#)

The **ABU Developing Broadcasters' Excellence Award** is open to staff or former staff of ABU developing broadcaster members. This award recognises contributions of an outstanding nature in broadcast engineering made by an individual in a developing broadcasting organisation, including in management of technical resources, and in related disciplines.

[DBEA Online Submission Form](#)

The **ABU Engineering Industry Excellence Award** is directed at distinguished personalities in all segments of the broadcasting industry including the staff or former staff of ABU members including affiliate members. The award recognises the most outstanding engineering contribution made by an individual to the broadcasting industry in the Asia-Pacific region.

[EIEA Online Submission Form](#)

The **ABU Broadcast Engineering Award on SDG's Implementation** is directed at ABU member organisations from all segments of the broadcasting industry within the ABU region including affiliate members. The award recognises outstanding contributions and achievements in developing, implementing and/or promoting the SDGs within the broadcasting industry and creating tangible benefits in the process.

[SDGA Online Submission Form](#)

The **ABU Young Engineers' Broadcasting Award** is open exclusively to the staff of ABU Broadcaster members within the ABU

region, and should be thirty-five (35) years of age & below and have a working experience of at least three (3) years in the nominating organisation. This award recognises contributions of an outstanding nature in broadcast engineering made by a young engineer in a broadcasting organisation, including in management of technical resources, and in related disciplines.

[YEBA Online Submission Form](#)

The award comprises a trophy and a citation plaque.

All award submissions are to be made online. The submission deadline is [31 August 2026](#).

The winners will be announced at this year's ABU Technical Committee Meeting.

We look forward to receiving your nominations.

Thank you and best regards.
